

REMARKS

This is in full and timely response to the above-identified Office Action. The above listing of the claims supersedes any previous listing. Favorable reexamination and reconsideration is respectfully requested in view of the preceding amendments and the following remarks.

Claim amendments

In this response:

- 1) claim 6 has been amended by incorporating the limitations of claim 7 into claim 6, and subsequently canceling claim 7.
- 2) claim 12 has been amended by incorporating the limitations of claim 13 into claim 12, and subsequently canceling claim 13; and
- 3) claim 16 has been amended by incorporating the limitations of claims 17, 22 and 23 into claim 16, and subsequently canceling claims 17, 22 and 23.

Rejections

It is respectfully submitted that the cited references do not disclose a TV receiving module which receives power (or voltage) from the power supply of the display apparatus via connector means, as called for in claim 1. Therefore, is submitted that the cited references also fail to disclose the limitations of pending claims 7,13,17,22 and 23.

CONCLUSION

Therefore, the subject matter of claim 1, and that of claims 6,12 and 16 as amended above is distinguishable from that which is disclosed in the cited references. Favorable reconsideration and allowance of this application is therefore respectfully requested.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,
